

I WISH...
BY: TINA JI

hello! my name is suki.

everyday I wish about
getting adopted.

people come to visit
but no one ever picks
me...

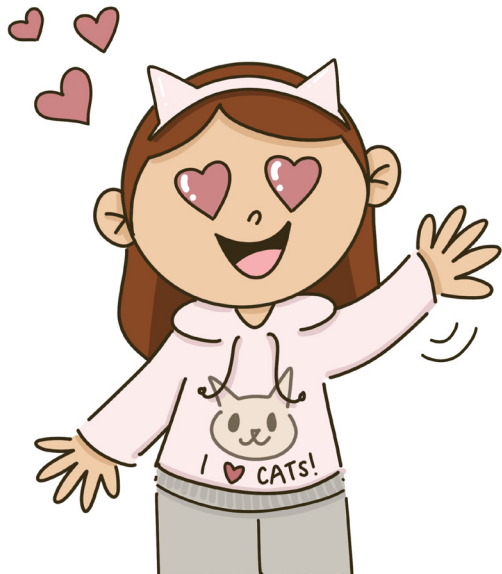

SUKI 

i wish and i wish but
nothing seems to work...

So I stop trying until...

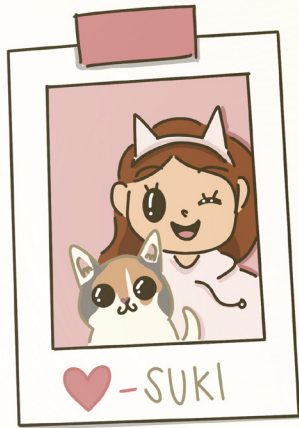

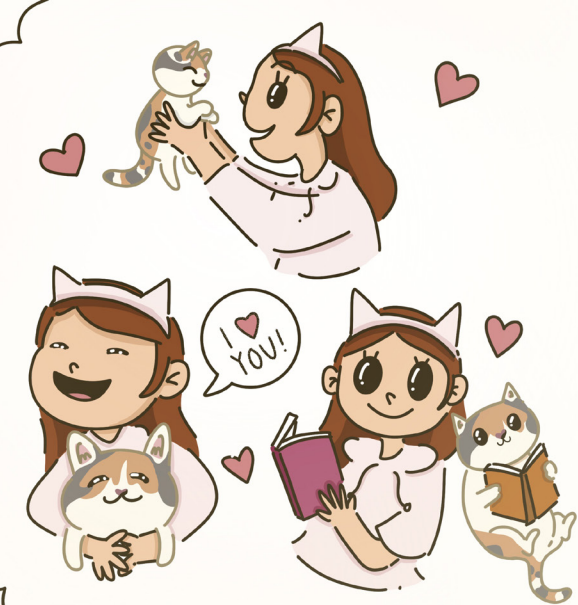

i put on my best face to
impress her but...

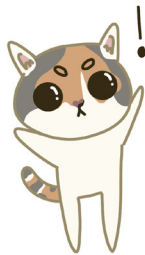

she left!

i decide to sleep it off...

BEST
FRIENDS
FOREVER!

!!

?? WHERE...
AM I...

WAIT I CAN
HEAR MY THOUGHTS...

WAIT... AM I

DREAMING?

i am!!

maybe i can find her again!

i think i see her!

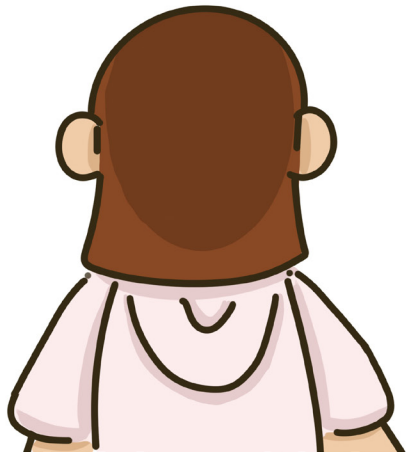

she keeps leaving, "wait up!
wait up!," says me.

no matter how loud i yell she
can't hear me!

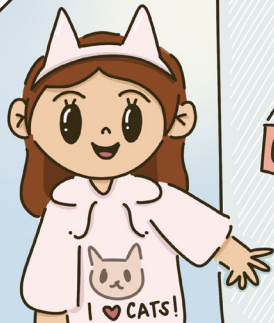

finally! there she is...

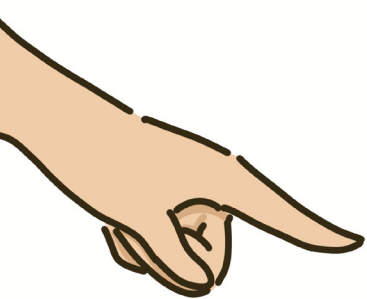

"huh? where did she go?"

"i guess it was just a dr-..."

"I would like to adopt her,"
says the human.

"i guess deams do come
true."

THE
END!
